River Almond Walkway

Welcome to the Cramond Beaver Trail!

A weir-to-weir treasure hunt with 15 Beaver tail signs to spot.

Each one is hung up in trees along the River Almond Walkway.

The signs are numbered, and display a letter for you to collect.

Unjumble the letters to make up the clue words.

This will tell you where to look for the Cramond Beaver Trail Trophy to complete this challenge!

The route is <1 mile along the River Almond Walkway including the Salveson Steps:
